EXPLAIN 'YES' ANSWERS HERE (attach another sheet if necessary): _____

-It is understood that even though protective equipment is worn by the athlete, whenever needed, the possibility of an accident still remains. Neither the UIL nor the school assumes any responsibility in case an accident occurs.

-If, in the judgment of any representative of the school, the above student should need immediate care and treatment as a result of any injury or sickness, I do hereby request, authorize, and consent to such care and treatment as may be given said student by any physician, athletic trainer, nurse, or school representative. I do hereby agree to indemnify and save harmless the school and any school or hospital representative from any claim by any person on account of such care and treatment of said student.

-If, between this date and the beginning of athletic competition, any illness or injury should occur that may limit this student's participation, I agree to notify the school authorities of such illness or injury. I hereby state that, to the best of my knowledge, my answers to the above are complete and correct. Failure to provide truthful responses could subject the student in question to penalties determined by the UIL.

A MESSAGE FROM COLLEGE STATION INDEPENDENT SCHOOL DISTRICT SPORTS MEDICINE DEPARTMENTS

College Station Independent School District employs 4 full-time staff Athletic Trainers that work with athletes at the two high schools and middle schools. Athletic Trainers (ATs) are health care professionals who collaborate with physicians. The services provided by Athletic Trainers comprise injury/illness prevention, emergency care, clinical evaluation and diagnosis, therapeutic intervention and rehabilitation of injuries and medical conditions. Staff athletic trainers work closely with team physicians, other physicians in the community, coaches, and parents to ensure the health-care needs of the injured athletes are being met.

PRE-PARTICIPATION PHYSICAL EXAMS

The University Interscholastic League requires that student athletes have documentation on file each year that includes a medical history, acknowledgement of rules and risk of concussion and/or sudden cardiac arrest, a steroid testing agreement, and permission to participate in UIL activities. As a minimum requirement, the Pre-participation Physical Examination completed by a physician must be completed prior to junior high athletic participation and again prior to the first and third years of high school athletic participation.

College Station ISD recognizes that the pre-participation physical examination (PPE) is an important requirement in any organized program and should be performed by the athlete's primary care physician or school/team physician **ANNUALLY**. College Station ISD believes that going beyond the UIL minimum requirement is imperative as health conditions may change from year to year and the development of subtle problems may be overlooked. On the PPE form, the parent/guardian is required to reveal pertinent medical history. During the physical examination, the physician will go over the medical history and should educate the athlete about their individual health risks.

PPEs for the 2019-2020 school year will not be accepted if physical is dated prior to April 1, 2019.

College Station ISD believes that each child should establish a primary care physician and utilize that physician for their PPE. At the same time, we understand that due to circumstances, an option for athletes to obtain a less costly PPE is necessary. For that reason, College Station ISD offers three "Physical Days" in which College Station ISD athletes may obtain a pre-participation physical examination for \$10.

CSISD PHYSICAL LOCATIONS/DATES:

College Station High School – April 24th 4-6:00pm

A&M Consolidated Middle School – April 24th 1-4:30pm

A&M Consolidated High School – May 1st 3-5:30pm

Important Note: If your child has a previous medical/orthopedic condition, takes medication, or checks off >4 questions as a "yes" in the medical history portion of the paperwork, we encourage them to be seen by their primary care physician.

REQUIRED UIL DOCUMENTS –

To access these forms please go to www.ArbitratorAthlete.com

2019-20 School year forms will be available on/after April 1st. These forms must be on file prior to **ANY** athletic participation in August. This includes off-season workouts.
